

SESSION TEN—SERVANT LEADERSHIP

1. What are the differences between a servant leader and a self-serving leader?
2. Outside the Bible, who are some servant leaders who influenced you and how so?
3. Jimmy defined a servant leader as someone who willingly, humbly, sacrificially and intentionally serves others. Is anything missing from his definition?
4. How do you respond to Jimmy's assertion, "Serving defines both the why (our motivation) and the how (methodology) we should have"?
5. In John 13, Jesus models servant leadership by washing the disciple's feet. Jimmy identified five marks of a servant leader: others first (vv. 1-5), loving heart (v. 1), a secure self (v. 3), impartially serves everyone (vv. 2, 10, 11) and takes action (vv. 13-17). How do you feel about these and are there others he did not mention? Which mark do you need to improve?
6. Earlier asked you to think of a life example of servanthood. What are the chances someone thought of you?
7. If asked those who know you best to describe you, would they include "servant"?
8. When was the last time you asked someone, "How could I help (serve) you?"

9. What would be on your resume if you could only include the accomplishments other say you enabled them to attain because you served them?

10. If paid \$10, but only paid when served others, how well would you do?

11. How do you feel about Jimmy's comment, "We are never more like Jesus than when we are serving"?

12. What was your best learning from this lesson and how can you apply it today?
